The News Bulletin of Dr. Nitte Shankara Adyanthaya Memorial First Grade College, Nitte

Volume : 21

Issue : 1

NOVEMBER 2022 - APRIL 2023

From the Principal's Desk...

Dear students,  
As we stand on the precipice of a new era, we must acknowledge the transformative trends that are reshaping how we approach learning and teaching.

First and foremost, technology has become an integral part of education. With the rise of digital tools and online resources, our classrooms are no longer confined by physical boundaries. This shift demands that we, as educators, embrace technology as an enabler, allowing us to engage students in innovative ways and facilitate personalised learning experiences.

Moreover, the emphasis on lifelong learning has gained prominence. The days of education being a finite chapter in one's life are behind us. The rapid pace of change in our world necessitates that we cultivate a culture of continuous learning. We equip our students not just with knowledge, but also with the skills to adapt, evolve, and thrive in an ever-evolving landscape. Embracing different perspectives enriches the educational experience and prepares our students for a globally interconnected world.

Lastly, let us not forget the importance of critical thinking and problem-solving. As information becomes more accessible, the ability to discern, analyse, and apply knowledge, becomes paramount. We are encouraging our students to question, explore, and seek solutions to the complex challenges that await them. In embracing these trends, we are not just shaping the future of education, but also the future of our society.

Let us work together to foster an environment where curiosity is nurtured, resilience is cultivated, and the pursuit of knowledge knows no bounds.

Thank you for your dedication students and for embracing the winds of change that carries us toward a brighter educational horizon.

## CHRISTMAS DAY CELEBRATION:

## ENDOWMENT LECTURE:

The ninth Endowment Lecture was held on 12 April 2023, on the topic 'Management in Action - Japanese Perspectives'. Addressing the students was the inaugurator Mr. Tetsuo Oikawa, President, KAIJO Corporations, Japan, who said, "KAIJO is a leading ultrasonic technology company providing Wire Bonding Technology and Cleaning Process. The vision of Japanese model is to propose a basic framework of customization and improvement". Furthermore, he said that the Indian Management was the best Management and expected to have a greater number of Indians in his company, and have better experience in working together.

The Guest of Honour Prof. Harikrishna Bhat, Director, International

Collaborations, Nitte (Deemed to be University) addressed the gathering and said that, he has spent 42 years in Japan and also had pursued his post-graduation in Japan. He worked for KAIJO Corporations, a semiconductors company and Indian IT companies in Japan. Furthermore, he said, in 1945, Japan surrendered in World War II; it was burnt by America and was left with nothing. Then, it was America itself that wanted to rebuild Japan and invested about two billion dollars. Within 19 years, it was unbelievable that the world's fastest bullet train- which is also one of the best inventions by Japanese Technologies-ran from Tokyo to Osaka. He said that the Management in Japan was possible due to 3Ds: Determination, Dedication and Dignity. He also said that he wants to add one more 'D' i.e., Discipline. He mentioned that in Japan, Discipline and Punctuality are much honoured. In 2018, there was an agreement between Japan and India to send five lakh engineers in 5 years from India to Japan. Unfortunately, because of COVID, it never happened for the last three years. Now the latest requirement for Japan is ten lakh engineers from India.

Hidenori Sasahara, Managing Director, KAIJO Corporation Japan, Mrs. Yasuko Sato, Executive Assistant and Japanese Language Instructor for Nitte University. President of the function, Dr. Veena Kumari B.K., Principal of the college, Mr. Ramesh M., Student Welfare Officer, and Mr. Prakash B., IQAC Coordinator, were also present.
